

CLASS & EVENT SCHEDULE: GRADES 7 & 8

Recalling our theme for this year, "Do This in Memory of Me", we will be remembering Jesus' words and example for us to love one another. Our service projects, classes and special Lenten services will emphasize and challenge us to be His living witness to each other, our families, our communities, and our world. People will know us by our love for Jesus through our words and actions done in His name. Several Lenten traditions are factored into our schedule and it is our hope that all families join and participate together as our Faith Families whether at Church of the Holy Family or St. Helena's.

We ask for your support and encouragement to see that your children have the best preparation and formation to know, love and serve Jesus.

We are in need of a 7th Grade Catechist for Holy Family as of the end of January. I am asking one of you as parents to volunteer. Call me at 829-3295 to help us.

This semester will be using new materials for our classes and will be looking for feedback from our students at the end of sessions.

Service Projects will be discussed as the classes decide what they would want to do. It was a little disappointing to have so few students go Christmas Caroling in December. This was a scheduled activity and contributes to their living out of our faith in action and overall attendance record.

Snacks are needed for each class – please sign up to bring a snack to pass.
