**"WELCOME" Father John Roock, filling in for Father Mesmer, to all our liturgies this weekend.**

**DIOCESAN & NATIONAL COLLECTION:** For nearly 40 years, **The Catholic Campaign for Human Development (CCHD)** has embodied Catholic social teaching through pursuing justice and upholding the dignity of the human person. CCHD funds community projects led by low-income individuals. As more Americans feel the weight of the economic crisis, CCHD needs your support in next weeks' s Collection more than ever. Thank you for your generosity!

**PROTECTING THE ENVIRONMENT FOR FUTURE GENERATIONS:** The common good calls us to extend our concern to future generations. Climate change poses the question "What does our generation owe to generation yet unborn?" As Pope John Paul II has written, "there is an order in the universe which must be respected, and...the human person, endowed with the capability of choosing freely, has a grave responsibility to preserve this order for the well-being of future generations." Come, join us on Sundays in November beginning at 4:30PM in the Floyd Booth Parish Center for **"Just Causes"**, exploring our environment to see what we need to do to preserve it.

Bishop Cunningham received the following from the United States Catholic Conference of Bishops (USCCB). He asked that we place the information in our bulletins in order to educate our people about the concerns with the Health care reform debate

**Amend health reform legislation to follow the Hyde Amendment and exclude abortion**

Health care reform is too important to make it a tool to promote and expand abortion. With all the plans and amendments in discussion, and questions about whether they do or do not promote and expand abortion, it is clear what's needed: Amend any health care reform bill to explicitly ban use of government money for elective abortions. The Hyde Amendment, passed in 1976, and law in the United States for a generation, has worked. In fact and in spirit, it should be part of any health reform legislation now. Please tell your US Senator and Representative this now!

**FAMILY PERSPECTIVE:** The widow in today’s gospel invested “everything she had.” We are called to totally invest our trust, love and forgiveness in our family because this is the currency which holds a family together. Marriage and parenting are not for part-timers; they are full time careers demanding total investment.
